

40 Days of Purpose: What have we learned?

Life Group Agenda for the week of November 6th through 12th

WELCOME (2 min) – Welcome everyone. This is a time for us to focus outward on our relationships with one another. Share the Goals and 1 Guideline. This week, we are concluding our series titled, “*40 Days of Purpose.*” Let’s **stop and pray** for our church at this time.

DVD (20 min) – At this time you will select Week 8 from the DVD, watch the *Message first* and then *Worship*. We recommend you have everyone stand up during the worship time. (*You will be releasing the Children to their Kids Slot time after the worship.*)

WORD (45 min) – This is a time for us to focus inward and discover what the Lord is saying to us individually and collectively through His Word.

This week’s Word is going to be a little different. We are not going to go through the standard questions and flow of discussion, but instead we are going to reflect and share about one another’s journey and growth that has taken place since the beginning of this sermon series back in September.

Deuteronomy 11:2 (TEV) reads, “Remember today what you have learned about the Lord through your experiences with Him.” Today we want to take time to remember what we have learned through our experiences and time together.

If possible, share these questions with your Life Group in advance, so each person has time to reflect and come to Life Group equipped to discuss.

What are one or two things you learned during the past 40 days as a result of this study?

What is something you learned about someone else in Life Group that you did not know before?

Who is one person you reached out to that does/did not know Jesus, how did you reach out to them and what was the result?

What is one change you have made as a result of a truth you learned during this sermon series?

Who is one person you think would greatly benefit from reading the *40 Days of Purpose* book or learning through the Life Group agendas?

PRAY: Take time to pray for one another’s requests/needs, and also pray for God to show you as a Life Group what your next step will be now that this study is over in order to continue fulfilling the purpose God has for you.

WITNESS (15 min) – This is a time for us to focus outward on our ministry to the world.

- ❖ Share any praise reports from your FRAN list that you've been praying for.
- ❖ Don't stop... **SERVE LIKE CRAZY**, plan your Life Groups next serve event.
- ❖ Make Shared Ministry Assignments and then Fellowship together.

(Now is the time to welcome the children back into the group and let them share something about what they've learned. Have a brief time of prayer with the whole group before fellowship).
