

**The movie FIREPROOF is coming to Celebration Church this upcoming weekend, February 14-15.**

Written and produced by the same people who produced *Facing The Giants*, FIREPROOF presents the story of a couple whose marriage is on the brink of divorce and the challenges they have to overcome if they are to regain their love and repair their marriage. This film is filled with drama, humor and great Christian principles that will challenge and encourage couples, singles and even teenagers.

Back in the fall of 2008, Vicki and I viewed FIREPROOF in local theaters several times with a number of couples and singles from Celebration Church. Singles told us that the movie gave them a great perspective of what they should be looking for and praying for in a godly relationship. Couples communicated to us that viewing FIREPROOF either helped strengthened their relationship, especially in the areas of communication and conflict resolution, or that viewing the movie saved their relationship from divorce and disaster.

Therefore, I want to encourage you to not only plan to attend this weekend's viewing of FIREPROOF at Celebration, but to also invite and bring with you other couples and singles that could greatly benefit from the message and ministry of this wonderful film. FIREPROOF will be shown on Saturday, 6 pm at our Metairie Campus (2701 Transcontinental Drive), and Sunday, 6 pm at both our River Parishes (3400 New Hwy 51 in Laplace) and St. Bernard (7500 W. Judge Perez Drive in Arabi) Campuses. Make this weekend one of your most memorable Valentines Day weekends ever by bringing others with you to see FIREPROOF.

**RELATIONSHIPS is the theme of our midweek Youth Services at Celebration Church. Parishes Campuses.** Encourage your teenagers and their friends to join many others at our Metairie Campus (Wednesdays @ 7 pm) and our River Parishes Campus (Thursdays @ 7 pm), as they learn this month how to have healthy dating and friendship relationships.

**Mardi Gras has arrived in New Orleans, and with this celebration comes the opportunity to witness and minister to the people who come from around the nation and world to participate in Mardi Gras.** Therefore, members from the Celebration Congregation will be partnering with other ministries and Christians who come from around the nation to share the transforming news and power of Jesus to Mardi Gras attendees. If you are interested in discovering how you can be involved in our Mardi Gras ministry and outreaches, please contact your Community Pastor and/or Chris Meilleur by calling our church office (504.831.9673), or emailing us at [info@celebrationchurch.org](mailto:info@celebrationchurch.org). You can make a difference in someone's life this Mardi Gras.
